Name of signatory: Brian J. Boisvert

Title of signatory: General Manager/VP

I, Brian J. Boisvert, certify that I am an officer of the companies named above, and acting as an agent of the companies, that I have personal knowledge that the companies have established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See* 47 C.F.R. Section 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how the companies' procedures ensure that the companies are in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The companies have not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI.

The companies have not received any customer complaints in the past year concerning the unauthorized release of CPNI (number of customer complaints a company has received related to unauthorized access to CPNI, or unauthorized disclosure of CPNI, broken down by category or complaint, *e.g.* instances of improper access by employees, instances of improper disclosure to individuals not authorized to receive the information, or instances of improper access to online information by individuals not authorized to view the information).

Attachment A
Statement Concerning Procedures Ensuring Compliance with CPNI Rules

The operating procedures of Wilson Telephone Company, Inc. and Wilson Communication Company, Inc. ensure that the Companies comply with Part 64, section 2001 *et seq.* of the FCC rules governing the use of CPNI.

The Companies have established a system by which the status of a customer's approval for the use of CPNI can be clearly established prior to the use of CPNI. The Companies rely on the involvement of its supervisor/management to ensure that no use of CPNI is made without review of applicable rules and law.

The Company trains their personnel regarding when they are authorized to use CPNI, as well as when they are not authorized to use CPNI. Personnel must sign a verification form stating they have completed training and understand that any infraction of the CPNI procedures can result in disciplinary action being taken against them. The Company reserves the right to depart from past disciplinary practices at its sole discretion, when it seems such departure desirable and appropriate.

The Companies maintain records of its own and its affiliates' sales and marketing campaigns that use CPNI.

The Companies maintain records of customer approval for the use of CPNI that include a copy of the notice and the customer's "opt-out" written notification. These records are maintained for a minimum of one year.

The Companies require that customers be authenticated at the beginning of all customer initiated calls, online transactions, or in-store visit.

The Companies maintain a log of unauthorized use of CPNI, where law enforcement is required to be notified. This includes the date of discovery, notification to law enforcement, description of the breach, and circumstances of the breach. This log is maintained for a minimum of two years.
